Items that have been marked, written on or tampered with in any other way.

Items such as hard drives, memory, processors even if they are defective are not brought in an antistatic bag or in the original packaging.

DOA PROCEDURES for HP HARDWARE

Definition of a DOA product: A product that fails to work through hardware failure only after receipt or installation at the end-user site with-in 30 days of purchase.

Steps to follow when encounter a DOA:

1. Faulty HP Printers, with all packaging and components intact as well as a copy of the end-user invoice, directly to the nearest HP Support Centre.
2. Once HP has qualified the DOA, a claim form that contains a UniQue reference number will be given to the reseller/end-user.
3. Once ESQUIRE is in possession of a copy of the DOA claim form, we will be able to verify the validity of the number.

Thereafter we will be able to swap out the faulty unit.

HP Support Centre is located :

Corner of Gazelle & Lechwe Street,

Corporate Park

MIDRAND
